## The Spring Overcoat!

It gives a snappy style to a man's appearance and it gives that "properly dressed" effect which is lacking in the chilly looking man, who wears no Overcoat when his Winter Overcoat is too heavy. The Spring Overcoats we are showing win admiring approval from men who are the most critical in dress. In style and fabric we have a variety of choice. Semi-box Coats, half-form fitting, cut not too short but a just right length and the longer Chesterfield. Some are silk lined and all are beauties. The fabrics are coverts, cheviots and unfinished worsteds, tans, greys and blacks. \$10.00, 12.00, 15.00, 18.00, 20.00 to 25.00. It will be worth your while to come and post yourself on the correct Spring styles, even if you are not thinking of buying. You'll need the Coat soon.

We Clean, Press and Repair Clothing. Fur Coats to Rent.

If you want something different in the way of a Bedroom or Dining Room Suite—furniture that possesses individuality and is a good investment at the price—we know we can please you. We are showing in our windows an eight piece Chamber Suit in Circassian Walnut.

Circassian Walnut, for variation in grain and yet richness of color, surpasses any wood used in the construction of furniture today. The suite has a dresser with a liberal sized mirror, a somnole (used now instead of a commode) a colonial bedstead, with high posts, a beautiful swell front chiffonier, with glass, a nicely carved table, two chairs and a rocker, all of the same wood and finish, such furniture you generally are obliged to go to the large cities for. We have such and it can be had at our city store any day in the year. The price of this elegant suite is \$156.50. Make a visit to our store to see it. It is worth your time.

This is Linoleum and Matting season. We are showing and have sold for the past 10 years Wild's famous Printed and Inlaid Linoleums, always the best made in America. Matting in the jointless class from 17c a yard to 60c. Wall Papers at 8c per double roll. We would be glad to show you.
